Welcome to Music Sudoku! Instead of using the numbers 1 through 9 to fill the sets of grids, we will be using the musical alphabet of A through G with #'s and b's. Each of the letters A, B, C, D, E, F, G, as well as # and b, should be used once in each row and column. Every 3 x 3 sub grid in the overall 9 x 9 grid should include each note name once as well as # and b. Print this page and fold to keep the answer hidden until you have solved the puzzle.

C	G	#	A	E	F	D	b	B
#	E	A	F	B	D	C	b	G
C	F	b	E	#	A	G	B	D
G	A	#	D	b	C	F	B	E
